*Incorporating Abbotsbury, Portesham, Langton Herring and Fleet*

**Chesil Bank Country  
Fayre, Fun Dog Show  
and car Boot Sale 2015**

**Best in Show Winner  
“Ozzie”**

## **The Tug of war proved a crowd puller!**

The Recreation Working Group supported by the Chesil Bank Parish Council would like to thank you for your sponsorship, donations, support and help on the day for this year's Chesil Bank Country Fayre, Fun Dog show and Car Boot Sale on 19<sup>th</sup> July, it was a great success and is now turning into an annual event!

The Dog Show pulled in the crowds 10 Classes including the most beautiful eyes class and the finally The Best In Show was won by “Ozzie”, grateful thanks go to Jean Pallister who had the hard task of judging on the day.

We added the Car Boot sale this year which proved popular, also new for this year was the Silent Auction which raised nearly £700 top item was the Helicopter ride for 4 closely followed by the half a Days gardening!

The wellie throwing created some local competition and the tug of war was enjoyed by several teams young and old.

We raised a fantastic £2072.50 which is a huge sum of money to be shared between Dorset and Somerset Air Ambulance and the CBPC Recreation Ground fund.

This event is all about providing the community, visitors and residents with a fun day out, enjoying this wonderful open space and raising funds for a good cause as well as helping us to continue to progress with

the project to rejuvenate the area and eventually to install a purpose built Scout/Community hut and updated Tennis Court/MUGA for all to enjoy.

With Grateful Thanks as we couldn't have done it without your support!

## Parish Council News

***The next Parish Council meeting***

***Monday 7<sup>th</sup> September (no meeting in August)***

***Portesham Village Hall All welcome!***

The Parish Council have been successful in obtaining a match funded grant from AONB to repair the Bier House at Portesham Cemetery. The Bier House was last repaired in 1995 when it was in danger of being demolished but was turned into a shelter. The Bier is in protective in a museum.

This repair is the first stage of works to Portesham Cemetery which is part of a bigger project to replace/repair the perimeter fence, control some of the trees and generally tidying the Cemetery. It is such a peaceful place to be and the Councillors would like those who chose to visit the Cemetery to enjoy the area when visiting their loved ones.
